PRODUCT PARAMETERS

| | | |
|--------------------------|--|--|
| Model | BC-1904E-PMP | BC-1908E-PMP |
| Printhead Type | EPSON I3200-A1 | |
| Printhead Quantity | 4 | 8 |
| Print Speed | 4Pass 720*1200DPI 75m ² /H 6Pass 720*1800DPI 50m ² /H | 4Pass 720*1200DPI 150m ² /H 6Pass 720*1800DPI 100m ² /H |
| Print Width | 1800mm | |
| Ink Type | Pigment Ink | |
| Ink Capacity | 4*5L | |
| Color Mode | K C M Y (Optional 8-color mode for high-end color needs) | |
| RIP Software | Maintop 6.1 / Photoprint / Neostampa (optional) | |
| Computer System | Win 7 64 bit / Win 10 64bit | |
| PC Requirements | W7 or above, 64 bit, CPU Processor i5 or above, 8G Storage or above, C disk with solid state hard drive 120G or above, Attached disk 1TB, Gigabit Ethernet port. | |
| File Format | TIF | |
| Working Condition | Temperature:15-28°C, Humidity:40%-60% | |
| Drying System | Automatic surface drying system, Guide belt heating (External independent drying system optional) | |
| Washing System | Guide belt with its own washing and drying system | |
| Correction system | Guide belt with its own deflection correction system | |
| Input Voltage | AC220V±10%; 50/60Hz | |
| Advantages | Automatic cleaning; Automatic alarming system for empty ink supply; Automatic flash spray moisturizing function. | |
| Sizes | L3340mm*W2070mm*H1800mm (Printer) | L2450mm*W700mm*H1150mm (Drying and collecting machine) |
| Packing Sizes | L3450mm*W2400mm*H1870mm (Printer) | L2520mm*W770mm*H1360mm (Drying and collecting machine) |
| Net Weight/ Gross Weight | 1540KG / 1640KG (Printer) | 200KG / 265KG (Drying and collecting machine) |

ASSOCIATED EQUIPMENT

Pre-coating machine

Heat Tunnel
